### TEMPERANCE DITTY IRES SALOON KEEPER

"Bar to Heaven" Poem Stirs Liquor Dealers.

By a postal card campaign the Women's Christian Temperance Union has roused the active opposition of every licensed saloon keeper in Washington in the campaign for national prohibition.

The postcards received by all licensed saloons in Washington yesterday bore a poem entitled "The Saloon Bar," the last stanza reads:

A bar to Heaven and door to Hell  
Whoever named it, named it well.  
We'll bar this bar from every State  
By 1920—mark the date.

But long before that time there will be no bar in Washington, D. C.

At the Women's Christian Temperance Union headquarters last night, an official admitted that the postcards had been sent out by the organization.

Officials of the Liquor Dealers' Association declared that postal cards have operated to stir members to contribute larger sums to the national campaign directed against prohibition.

### CHAUFFEUR IS HELD ON FORGERY CHARGE

Case Totalling \$200 Secured on Bogus Checks.

George Ewell Johnson, colored, 30 years old, a chauffeur, is being held at the first precinct awaiting trial tomorrow in the Police Court on a charge of forgery, involving amounts totaling nearly \$200 alleged to have been obtained by false checks made during the month between the 1st and the 16th.

Johnson was arrested yesterday by Central Office Detectives Kelley and O'Brien.

It is charged that he stole three checks from the books of the firm of Servator and Levanston, junk dealers of Silver Spring, the checks being only signed with the signature of one partner of the junk firm, and the amounts of the checks not yet having been filled in. He wrote the amounts of \$22.50, \$33 and \$76 in the blank spaces on the 1st, 9th and 16th of the month, respectively.

Through an understanding of the partners the checks are not to be paid without the counter signature of both partners. The checks had been signed only by Servator. They were endorsed by Johnson and presented for payment and cashed at the window.

### ANDREWS ON MOTOR TRIP.

R. P. Andrews, president of the Retail Merchants' Association, left yesterday for a ten days' motor trip through Maryland and Pennsylvania.

Before returning to the city, Mr. Andrews will attend the Hammermill Paper Convention at Erie, Pa.

### URGES CONTINUOUS CONGRESS SESSION

#### Republican Publicity Association Warns Against "Autocracy"

The Republican Publicity Association, through its president, Jonathan Bourne, Jr., yesterday gave out the following statement at its Washington headquarters:

"In the interest of public welfare Congress should remain in continuous session until the close of the war. Continuous session would not necessarily mean daily meetings of the two Houses of Congress, but a series of short adjournments which would keep Congress legally in session to act promptly if occasion arose. An intimation by one recently in conference at the White House to the effect that the President would like to have Congress adjourn, is sufficient reason why Congress should remain at its post of duty.

"Before our entrance into the war, as well as since, we have had numerous illustrations of the danger of the President, department heads and bureau chiefs to secure and exercise autocratic powers. Even where authority to perform certain acts was expressly refused by Congress, departments have proceeded to exercise the powers they desired. The post-office Department has ignored and defied Congress. When censorship of the press was denied by the law-making body, it was assumed by the administration. Many incidents in recent history indicate that America is running the course of the ancient republic—that we are rounding the circle of democracy to autocracy again. Most Americans are not yet willing to agree that representative government is a failure. Whether we shall be ultimately forced to such admission depends largely upon the manner in which the representatives of the people in the legislative branch of the government guard and exercise the powers conferred upon them by the people."

### CAMERA CLUB PLANS TO HAVE WAR MOVIES

The Capital Camera Club has secured the official French and British government war films and will show them October 10 and 11 at free exhibitions in a place to be announced later. Some of these films actually show trench warfare, what the aviation squadrons battle in the air and charges by the famous British tanks. There are seven reels. No admission will be charged, but voluntary contributions will be received for a fund which will be used to finance an Officers' Reserve School of Photography. The various committees are busy making further arrangements. Place of exhibition will be announced this week.

### FOOD EXPERTS DENY

#### 2% BEER REDUCTION

The United States Food Administration yesterday authorized a denial of the story that the Food Administration had directed the reduction of the alcoholic content of beer. 2 per cent. The story of brewing, it was added, has not been discussed by the Food Administration.

### ORIGINAL SIN

#### ARE ALL TO SUFFER FROM IT ETERNALLY?

#### THE INJUSTICE OF IT ALL

#### OUR HERITAGE FROM ADAM

By DR. JAMES E. TALMAGE.

Of the Council of the Twelve, Church of Jesus Christ of Latter-day Saints; Salt Lake City, Utah.

WE BELIEVE THAT MEN WILL BE PUNISHED FOR THEIR OWN SINS, AND NOT FOR ADAM'S TRANSGRESSION.

Belief in original sin, and its dread incubus as a burden from which none can escape, has for ages cast its depressing shadow over the human heart and mind. Acceptance of the fact that the account outlined in Genesis concerning the transgression of the parents of the race, every thoughtful reader must have wondered as to whether he is to suffer throughout this life and beyond for a deed in which he had no part, and for which, according to his natural conception of justice and right, he was not even indirectly responsible. If he assumes an affirmative answer to his honest query, he must have stood aghast at the seeming injustice of it all.

The Scriptures proclaim in definite terms the fact of individual responsibility, and as an indispensable consequence, the Free Agency of Man. Freedom to choose or reject and accountability for the choice go hand in hand. The word of Divine revelation made the matter plain very early in the history of humankind. To evilhearted Cain the Lord said: "IF THOU DOEST WELL, SHALT THOU BE ACCEPTED? AND IF THOU DOEST NOT WELL, SIN LIETH AT THE DOOR." (Gen. 4:7.)

A knowledge of good and evil is essential to progress, and the school of experience in mortality was provided for the acquirement of such knowledge. The Divine purpose was thus enunciated by an ancient Hebrew prophet:

"Wherefore, the Lord God gave unto man that he should act for himself. Wherefore man could not act for himself, save it should be that he was enticed by the one or the other. . . . Wherefore, men are free according to the flesh; and all things are given them which are expedient unto man. And they are free to choose liberty and eternal life, through the great mediation of Jesus Christ, to choose captivity and death, according to the captivity and power of the devil; for he seeketh that all men might be miserable like unto himself." (Book of Mormon, 2 Nephi 2:26 and 27.)

And a later prophet voiced the eternal truth as addressed to his wayward fellows:

"And now remember, remember, my brethren, that whosoever perisheth, perisheth unto himself; and whosoever doeth iniquity, doeth it unto himself; for hehold, ye are free; ye are permitted to act for yourselves; for behold, God hath given unto you a knowledge, and he hath made you free: He hath given unto you that ye might know good from evil, and he hath given unto you that ye might choose life or death." (Book of Mormon, Helaman 14:20, 21.)

But, many have asked how can man be regarded as free to choose right or wrong when he is predisposed to evil through the heritage of original sin bequeathed to him by Adam? Heredity at most is but a tendency, not compulsion; and we have no warrant for doubt in the light of revealed truth concerning the inherent justice and mercy of God that every

### Loses Market Basket

#### Through Carrier Lads

Mrs. Mary E. Callis, 230 Second street northwest, last night reported to the police that she had given her market basket to two colored boys at the Center Market yesterday ordering them to carry it to her home, which they have not done and a search was immediately started for the youthful thieves.

### HISTORIC MEMENTOS ON VIEW AT MUSEUM

#### Objects Commemorative of Admiral Farragut Placed on Exhibition.

In those stirring times when every American citizen is a potential national hero, special interest attaches to any memento of the heroes and patriots of our past wars. Some striking objects commemorative of the life and services of one of the most romantic and inspiring figures among the great American naval heroes, Admiral David G. Farragut, have recently been received at the National Museum here as the gift of the estate of Loyall Farragut, son of Admiral Farragut, and placed on public exhibition.

First in interest among these objects is a jeweled sword inscribed, "Presented to Rear Admiral David G. Farragut by members of the Union League Club, as a token of their appreciation of his gallant service rendered in defense of his country New York, April 23, 1864." This sword was sent to him on board his ship "Hartford" about a year after he had succeeded in opening the Mississippi River to navigation through its entire length for the national navy and supply ships.

Other objects among the mementos of Admiral Farragut received by the Museum are three pairs of epaulettes, a chapeau, a cap, a belt, a shoulder strap, two sword knots, nineteen buttons, and eight naval insignia. The collection also includes a fine portrait of the admiral by William Swain, a number of photographic portraits of him, and several paintings representing notable scenes in his career.

Admiral Farragut was undoubtedly among the greatest naval commanders in the world's history, and his life and patriotism are inspirations to all Americans.

### WEST VIRGINIANS PLAN RELIEF WORK

The West Virginia Military Aid Club held its regular meeting at the residence of Mrs. Sharp, 1325 Vermont avenue, Thursday evening. Plans were made to have an ice cream-watermelon festival on the evening of August 25 at the club's headquarters, 1325 Vermont avenue northwest. The cream and melons will be sold to raise funds that the club may be able to undertake war relief work.

All West Virginians and the public are cordially invited to be present and help "do their bit."

### IMPORTANT NOTICE

#### To Those Who Have Purchased WHITE SHOES.

We have very recently discovered that a certain line of white canvas lace boots with white soles and white French heels, selling at \$5 a pair, and with the numbers 1916 marked on the linings, are imperfect.

The imperfection is one that could not be detected until after the shoes had been worn.

White footwear of the better grade is covered with a piece of muslin while in the process of manufacturing. In removing these covers, the knife, in some cases, came in contact with the vamps where they are joined to the edge of the soles, thereby weakening the vamps at this point and causing them to break when worn.

If you have a pair of the imperfect shoes, we will gladly exchange them for a perfect pair if presented in our Shoe Shop.

Our New Shoe Department must be built on the same solid foundation of integrity as the older departments of the Store of Greater Service, and we are always anxious to "make right" anything that is not as it should be.
